“ Me and Landon ,will miss you more than anything. You and Cindy we were the best grandparents we never had. Y'all always protected us from harms way. Life will not be the same without you both. Words can't describe how I feel. Y'all always watched over us and protected us. You're smile lit up any room that you entered. Things will never be the same without you. You are forever missed. Landon and I will miss you so much. We love you now and we love you forever. We will never forget you!!!!
