“ I first met Dr. Al Fain at The Citadel in Sep 1960. Al was a fine, loyal friend. Al's parents, sister, Jo Alice, and brother , Lewis, were also very kind to me when I visited them in Brunswick. I'm glad for the time & memories that I have with (Dr.) Al Fain, and with his family.

“ Dear Judy. My name is Jim McNamara, and I was a classmate of Dr. Al, when he attended The Citadel. Dr. Al certainly had a most successful family and professional life. I visited Al and his family several times, and Al's parents and sister, Jo Alice, could not have been more gracious hosts. I wish I had kept in closer contact with Dr. Al. I just recent learned about Al's passing fm Jim Hicks, Al's friend and Citadel classmate. Sincerely, Jim McNamara

“ Al and I were in schools together in Brunswick for the longest time. We were in scouts. We flew model airplanes. He and I were in separate companies, but in the same barrack, at The Citadel. I remember having him as a partner in a physics lab (mechanics). He and I went to Glynn Academy one time to pay a visit to our old chemistry teacher, Mr. Handley. I will never forget Al and Herbert Handley. Al and Judy attended my wedding. Later my family visited Judy, Al, and their two kids in Florida, I think it was.
