“ *Tony hated Facebook which is why we requested responses to this site in his AJC obituary. Please know your heartfelt condolences are providing his family with much needed solace as we try to deal with his unexpected death.*

“ *We are heartbroken at the loss of our good friend, Tony. I've known him since Athens days and saw him often afterwards, including annual trips during his South Carolina days. I enjoyed my visit with him and Doug at his Lake O-Tony cabin and his tour around the family Hancock Co. land. Now I wish I'd gone there more. Rest in peace good friend. We will keep you in our memories for the rest of our days.*

“ I have nothing but good memories of Tony from UGA. We spent many hours hanging out in Athens. He was the unofficial photographer for everything! He was the sweetest guy. I'm so sorry he is gone.

“ Hennings family,

Tony and I started with Georgia Pacific on the same day, and I had the pleasure of beginning my career there working for Bob in the regional office. Tony and I had the opportunity to work together during various segments of our time with GP. Tony was the absolute best I have ever known at what he did.

Two fond memories that stand out...his daily lunchtime nap in his Blazer in the GP garage, and both of us learning not to hit "send" until the next morning on emails created at home after work (when emails were a new thing!).

Thanks for the good memories, T...may you rest in peace.

Tony was one of the most dedicated and helpful coworkers. First class person in my book! Rest in peace Tony!

“ *My Condolences go out to the Hennings family. I worked with Tony for many years at both Georgia Pacific and Roseburg. Tony was just a good man to work with. He was always there to help me, and to help us all be better. He will be greatly missed. May the memories of time spent with Tony ease the pain of losing him way too soon.*

What a wonderful picture of Tony. Thank you for the posts Doug... I am still crying and having a hard time writing Tony's obituary for the AJC. He was the best and sweetest person I ever met. I loved him so much.
