“ *Peggy and Stacy, My heart breaks for each of you as I think about the void this must have left in your hearts. The last time I saw Mr. Bennie he was greeting people as they entered WalMart. He was hanging out visiting with old and new friends. That day he talked to me as if we had never missed a day talking to each other. I know you ladies know this but he was a special person with a special gift. The world will miss the joy Bennie Black gave to each person he ran into and each person that had the honor and privilege of knowing him. You are in my thoughts and prayers.*
