“ BJ I've known you since 1967 I still remember the first day we meet at the colonial store. Then you became my sister in law and have been every since. We had good times and bad through the years and always made it one way or the other. I was so glad you came at Easter this year we all enjoyed your company. I know your in a better place and your with your family and mine as well and I know Wanda meet you at the garden gate with open arm's I can see you guy's jumping up and down with joy so rest my friend you have earned it. Love Always Lynda

“ BJ I have so many memories of you and your Family and will greatly miss talking with you on the phone about Chasity. We laughed about things a lot and going by your home I automatically look that way for a wave or see if you were on the porch. God had other plans for you and I know you are not in any discomfort or pain. I will forever miss you. Hugs Love and Prayers for your Family
