“ *Christina was an amazing woman she was beautiful in everyway there was nothing anyone could say about her that was bad and if they did then it was a lie. I was her roommate and one of her Best Friends and I just wish there was something I couldve done to help her.... Her memory will live on because she made anbig impact in people's lives and when she loved she loved hard!!!! Mrs. Carla I am so sorry for your loss I love you and Bentleigh with all of my heart!!!*

“ My name is Lindi "Christina" Harrell (most may know by Humphries). My brother and Christina used to go to daycare together and I am actually named after her. I haven't lived in Eatonton for about seven years, but I saw Christina a lot when she lived in Dublin. She was such a beautiful soul!!! She was always smiling and she got along with everyone. There are so many people right now that are hurting from this. She will be truly missed. My prayers go out to her family, especially Bentleigh, who looks just like Christina. Heaven gained a true angel. We ALL love you Christina.
