“ Happy birthday to the greatest uncle in heaven 🙏. You have fought to live for a long. I Am just happy your not on any machines anymore and you are happy. I love you so so much. I remember that time you took Jackson, Cole, Brooklyn, Gracelyn and I to the that little lake. The mud was muddy and the lawn mower flipped over with you and you started laughing. Me and Jackson rushed to go get a rope to help pull you out and then we eventually got you out. It was a great and scary moment. The greatest thing about it was you just started laughing when it flipped. I love you uncle Chad. Happy birthday

“ My nephew, Chad Boyd Griffin, passed away Sunday. I have seen the sweet post and comments made on Facebook. Thank you all so much. He was so very special. He handled his illness with faith and grace. He loved his family and he loved god. His faith was very strong and I know he is with him. My father in law sent me this text and it touched me so I just wanted to share::

Sherri

I pray you will accept my text as I cannot seem to get you by this "Sometime thing"

Known as a phone.

I am so very sorry that death has for another time entered your family and taken

away another member so young and so promising a young man.

Visiting with him in the hospital I could not help but refer to him as a young giant

like his uncle Danny. He just smiled and nodded head as if to agree or to say thank you. Goes without saying that the family "all" truly thought so highly of him.

Talking with your Dad (superman)

yesterday I felt very much that your dad had

thoughts of Chad as another Danny, not taking Danny's place but being so much as Danny in body and spirit.

Yes Chad IS a fine young man. I say IS because the Chad everyone knew will be a model to be followed by so many of the young yet to grow up.

My prayers are with you and all the family. We love you and all.

My heart is heavy with sadness to hear of your loss. I did not know Chad personally but he was a member of a special group which in turn made him family. My thoughts and prayers are with you during this difficult time.

“ *I will always miss Chad's smile. It could light up a room! My favorite memory is when we were going to the Atlanta airport for our NY mission trip. Melissa was driving one vehicle and Chad another. Chad took a different route than Melissa, and it turned into a race! I'll mss you Chad!*
