“ I will never forget the sounds of Wojack and my dad laughing hysterically at the nutty plans they were concocting. They were always cutting up and making everyone around them laugh. He was truly a sweet man who loved his family. Rest easy Mr. Dennis! Heaven gained a wonderful man!!

“ He was my Big Brother,my protector,and my first boyfriend. We always argued,but we always loved each other after. When he was at Fort Dix NJ recuperating from appendix surgery,we went to visit, he took me to the PX and bought me the biggest stuffed bear they had. He was approx 4ft tall but I was determined to carry him. I got tired so he had me rest on a bench. But didn't notice the wet paint sign so not only was I covered in paint but the bear was also. I had that bear till I graduated high school paint and all. Boy was Mom mad.
