“ Today is August 24,2022 and I just found out about your passing. It's been 50 years this last June 10 when you were in my wedding and I haven't seen you since that night. I have thought of you so much and always wanted to find you but now it's to late. I will see you next in Heaven sweet lady. You were always such a good fiend in High School. I love you Debbie Bell.
