I didn't have her in my life but 3 years, but in that short period I loved her immensely, she always had a smile for me even when I knew she wasn't feeling well. we'd sit to the side just the two of us and laugh and discuss the things girls cut up about, I loved my sister I'm not going to say in law because she said no in laws to me once not in law ,I can't even begin to know the pain all you siblings are experiencing, but I have lost a sister at the age of seventeen, on my 30th birthday, God be with each of you I know my husband and y'all's brother Jimbo loved her dearly, praying for you all
