JJ

“ I will always remember all the good memories we had as a family . Our Thanksgiving and Christmas's together waking my baby brother up on Christmas morning and telling him Santa Claus came! And the cute little smile of joy he had on his face. Our summer's at our grandparents cabin at the lake him catching his first fish. His trips to the deer woods with my Dad and brother . We will remember His birthdays. We will treasure these memories in our hearts. And they will be with us until we see him again in heaven we're going to miss him dearly But it is comforting to know that he is with my mother in heaven with our Dear Lord and Savior. And the angels shouted with joy as he entered the gates of heaven I look forward to seeing him again when I get to heaven and hug him again. And we will all spend eternity in heaven together . Until then, we mourn the loss of our DeWaine. And we will treasure these memories in our hearts. We love you DeWaine and will miss you so much! Until that day we meet again in heaven
