“ *Barbara, your mom was a gift to you and to our Hannah and Leland. She was their "MiMa" and she taught them so much about what it looks like to age with humor, with spirit, and with courage. You, Barb, taught them what it means to take care of and care for someone. You were there for your mom every step of the way right until the end - supporting her, allowing her the dignity and freedom of her independence, but right there to catch her whenever she needed you. I know you'll miss her terribly, but I hope you have the peace of no regrets and the great memories of all the good times you shared. You and Monica are in our thoughts. Love and hugs, Paige*
