“ MY prayers are with the family of Miss Hearn. I always had great respect for her because of her being a great teacher @ all the things she did for our community, church. Even when I became a adult, I could not call her by her first name Like Mr Dickey, Mr Hearn @ others. She earned that respect by her actions, @ words. She @ people like her what makes this a great community to live in.. Karl Hieber

“ Miss Jane was a teacher back in Eatonton Grammer school in the '60s when I was there. I always will remember when her room caught on fire; we forgot fire drills and ran like rabbits outside. It was quickly put out and all returned to normal.

I later married her great niece (as Tammy called her, even though she was a cousin) Tammy, and at 6:3 in height learned how to finally feel short at a family reunion. I am 6'3 and she was a half inch taller than me! The Hearn's were all tall! She always encouraged me during my time on city council.

Rest in peace.
