

Glenn Andrew Clapp

January 8, 1952 - July 10, 2022

Glenn was born in Evanston, Illinois to Dean and Ommye Clapp. He lived in Highland Park, IL until he was 10 years old, when his family moved to Glen Ridge, NJ. After graduating high school, Glenn attended Waynesburg University in SW Pennsylvania for a while. After deciding he wanted to work in construction so he withdrew from college. After living in what Glenn referred to as "the wrong part of the country", he settled in Eatonton. Glenn had visited family on his mother's side in Eatonton while growing up and knew he wanted to make his home here. He always said he was "Yankee by birth, Southerner by the grace of God."

Glenn went back to college, while working construction, and graduated from UGA in 1982. After working commercial construction, Glenn started his own construction company. He did this until he became unable to work due to health issues. He still continued to do small jobs for what he called "his sweet widow ladies".

Glen began his fight against multiple cancers in 2008 and he fought right up until the end. When he knew the end was near, he said he was ready to go. He'd had a good life, felt blessed that he had a loving wife, 3 sons, 3 grandchildren, great friends, and a wonderful extended family on his wife's side. His greatest joy was spending time with his family, especially his grandchildren.

Glenn was preceded in death by his parents Dean and Ommye (Rice) Clapp, his brother Daniel Clapp, and his sister Ommey "Candy" Clapp. He leaves behind his wife of 27 years Lynn Carnes Clapp, a sister Karen "Kacey" Buroojy (and husband Tom), sons Geoffrey (and wife Kara), Sean (and wife Katie) and bonus son Brian (and Jessica) Gillman, one grandson Arlo and 2 grand daughters Leto and James, as well as many nieces and nephews

In Lieu of flowers, Glenn requested that anyone wishing to could make donations to the Cancer Foundation of Northeast Georgia, P.O. Box 49309 Athens, GA 30604-9309 or online at www.cfnegea.org, or to a charity of their choice.

For those of you who knew Glenn, you know he was a little unconventional. He always loved to cook and eat, but for the past few years he wasn't able to do either. For this reason, he requested a casual send off with a covered dish meal to celebrate his life. Visitation will be held 11:00 Am to 12:00 PM Saturday, July 30, 2022 at Grace Baptist Church, 163 Greensboro Rd, Eatonton. A short Memorial Service will be held at 12:00 PM followed by a covered dish meal. For family and friends wishing to honor Glenn by sharing this meal, please bring your favorite dish. (someone will take it to the fellowship hall during the visitation)

“ *It has been more than 30 years since I have seen or talked to Glenn. I've thought of him often and wondered how he was. What I remember most about Glenn was his gentle spirit and how much he loved his boys! He was a great dad. He would say “ my boys know that daddy can fix anything but a broken heart!” I'm so sorry to hear of his passing. I will pray for comfort and peace for his family. Glenn was one of a kind.*

“Glen fought as hard as he could he added so much to all our family get togethers. All the kids just seemed to gravitate to Glen. You will be greatly missed but I am glad you are no longer suffering.

“Glenn was a great Brother-In-Law. His strength, character, wit, and humor was always evident to anyone who knew him. Even on his worse days, he would want to help anybody that needed it although it took every ounce of his strength. I still have the bench he helped me make for Brittney and Tyler and think of him every time I look at it. He coached me and patiently walked me through all my inadequacies and went out of his way to be sure I got it done right. He always make homemade bread and insisted on cooking the turkey on Thanksgiving (because he didn't trust the rest of us to get it right). I watched him even with all his issues, always talking to Mama and gently holding her hand at family gatherings. Thank you Glenn for all you did for us, both small and great. See you again one day soon!

“ My deepest condolences to Glenn’s family. Glenn and I were close friends many years ago when he first moved to Eatonton. We worked together on the old Jones mansion and many other projects. I moved away in the early 80’s and lost contact. Last year my wife and I were traveling close to Eatonton and contacted Glenn. We had a nice visit and caught up on the last 40 years. I was very sorry to hear of his passing. He can rest peacefully now. God’s blessings to his family.
