“*Jamie was a very pleasant and accommodating person. I have known him all of his life. There never has been a more agreeable and friendly person than Jamie. I served with him in the National Guard for over twenty years. He was a good soldier and did his job well. I am sorry for your loss. I know he is at home in heaven and he is enjoying renewing friendships with those who went before him. He was truly a happy, friendly soul. He will be missed by all who knew him. Larry Manley*
