“ *I am thankful to have had John as a friend. I came to know him  
doing what he does the best taking care of his family, and he did the  
same for me advising me how to take care of myself and my family,  
my dear friend you will be greatly missed. I will never forget you  
teasing me for being a city chick ❤️*

“ *Uncle Robbie you are missed and have been an amazing person to  
me and my family. I wish we had more time to spend together.  
However, the time that we did have, left me with great memories  
and lots of laughs. I don't know what we are going to do without  
you.*

“ *The world is a sadder place without the smile of John Smith. He was so very good and caring to Bob after his cancer diagnosis. He offered to not charge us but I convinced him that was not necessary. My love, thoughts and prayers to his family. Elizabeth Scott*

“ *Latasha Ann and Family, I was not fortunate enough to meet this great man of yours but Bubba shared alot memories and sayings that him and John shared. I can't begin to imagine some of their conversations because John seemed to have a seriously funny sense of humor and why your Daddy loved him so much. Other than the fact he loved his baby girl and grandchildren. I was so happy for both of you when you began your life together and now so heartbroken to know you and the family has to face this the tragedy of losing John. I am not there physically right now but you and everyone that shared Johns love and life are in my heart and thoughts. I love you...*

*I would see John around the lake area and he always spoke and we would talk. He always asked how my husband was doing and how my dogs (Boston Terriers) were doing. I usually always had them with me. He knew one of them has cancer and he never failed to ask about him. I am so sorry for the familys' loss. He was a really nice guy. He will be missed deeply. God speed to you John.....*
