“ Sorry to hear Joe has passed. Praying Father will send His comforter and peace to the family. Bless you all. We had an inside joke about the roofers and "the bodyguard" and "I'm not finished yet.". Makes me smile thinking of it. He had a crazy, wonderful life. Bless him.

“ Sympathy to the family of my cousin Joe Ray. Remembering all the good times we had growing up together. Miss the good memories at mama and papa Doster's house when we had the fish fries and the good music. Also remember the good times when he came through Athens on the train and we would have dinner together. The family is in our thoughts and prayer through this difficult times. He will be missed by all.
