“ We were fortunate to have John and Judy for our neighbors when they lived in Decatur, IL., at 1805 W. Packard. That was when we were all much younger, about 45- 50 years ago. Great neighbors and family. The youngest boy would call out from their front screen door to me when I came home from work. It was so cute because I couldn't see him because his head was just at the lower level of the door screen. All I could hear was "Hi Paw Paw" . I had gray hair, the same as his G'pa. Blessings to the family. See you in Heaven.

“ *When our family first moved to Longwood, FL, Judy was one of the first people I met. Her boys attended the same elementary school as my boys. We were den mothers together when our boys were Cub Scouts. Her husband was very involved in fishing in those days and Judy frequently invited us to share dinner and she made some very delicious beer-battered fish! When her daughter, Tanya, was married, we not only attended the beautiful outdoor wedding but Judy made arrangements for the employees at the restaurant where the reception was held to carry me and my wheelchair up a steep flight of stairs so that I could be a part of that celebration also. Judy was like a sister to me and she and I shared our greatest joys and our deepest sorrows together. Her memory will always be with me and I am grateful to have had the opportunity to know and call her friend. Rest peacefully Judy.*
