

## Judith McClure White

September 12, 1949 - November 14, 2020

Mrs. Judith "Judy" McClure White, 71, of Eatonton, GA passed away on November 14, 2020. A memorial service will be held 2:00 PM on December 5, 2020 at First United Methodist Church of Eatonton.

Judy was born on September 12, 1949 in Waynesburg, PA to the late Ray and Julia McClure. Judy graduated from Waynesburg High School and then matriculated to The University of Pittsburgh. She graduated in August 1971 with a degree in Physical Therapy.

Judy began her professional career practicing physical therapy in Ohio and New York. She then spent a couple of years working in Venezuela and traveling in much of South America. She enjoyed her time there very much, and gained a great deal of work experience. Judy moved to Atlanta, GA in 1976 and practiced physical therapy at several hospitals; working mostly at nursing homes in and around Atlanta and throughout much of GA. She worked tirelessly as always caring for and putting the needs of her patients first.

Judy then, with her husband, moved to Lake Oconee, GA in 2006. She continued working in her profession employed by Integra Rehabilitation. She worked primarily at nursing homes in Milledgeville, Eatonton, and Sparta. She retired in 2019.

If you accept that God put us here to serve and help others, then you know how Judy lived her life. She gave of herself freely and asked little or nothing in return. She was highly respected and loved by her colleagues; mentoring many with her encouragement, wealth of knowledge and experience gained while practicing her craft over the many years she worked.

Judy was an avid Bulldogs fan and loved living on Lake Oconee. She enjoyed boating, visiting with her friends and loved ones, (and there were many).

Judy is preceded in death by her son, Edward, whom she adored; and brothers Edward and Harold "Kip" McClure. She is survived by her loving husband of 42 years, George White of Eatonton, a sister Jill Wright of Waynesburg, PA, her two daughters Julie and Paula, sister-in-law Barbara McClure of Scottdale, PA; nephews Michael McClure of Waynesburg, PA, Todd McClure of Strongsville, OH; nieces Pam Lehasky of Mount Clare, WV; and Amy Batis of Ligonier, PA

To Judy: Well done thy good and faithful servant, God Bless You!

“ I've known Judy since 2006 when we first began working together. Even after she retired, we kept in touch. Judy was the sweetest, loving and most giving person I knew. She cared. She was tremendous at what she did as a therapist. Her patients loved her and adored her. She will be missed. To the family...my condolences.

“ What can I say about Judy....several things come to mind. I was fresh out of school and Judy came in as my first manager. Actually Judy came rushing in as a friend. There was never a moment that I remember her stressing about anything. The more I stressed, the more she laughed. She was just that way. Her main objective was the patients and she treated them with respect, humour, and drive. She treated me as if we had known each other forever. In the therapy world we tend to move around but whenever I came back to Integra, she was there with welcoming arms, a heart of steel and always a sense of humor. Judy was like coming home after a voyage or a long time away. She would laugh and say, "so...you came back". Yep, I'd say cuz I figured you needed me. We would laugh and carry on with work. She was always happy, always working her ass off and always kind. Her favorite thing with me was about Mohit. When I came back the first time, I asked Judy a question. Mohit wants a voided check. Judy , what is a voided check? Judy laughed so hard. Sandy, its a voided check for your bank. Oh I said. Everytime I saw Judy after that, she just laughed about the voided check. I loved you Judy from day one. You are joy, intelligence, happiness, love, caring, talented, and inspiration. I miss and love you.
