“ *Jean and family - "Mama Judy", as she was affectionally called by us, was our longtime, forever friend, and much loved by all of us in the "Class of '64"!!! When we were in our early years, Judy and I were bonded over our love for, and. our addiction to THE SECRET STORM :) We would rush home from school, and get there just in time for the opening music and credits - the next day we compared notes - always important for me if I had been caught watching "that trash", according to the parents :) She will always be missed, and will be remembered through the fond memories she leaves for us!!! I share your sadness!!! Teena*
