“ I went by the court house one day to visit the ladies after leaving my job there. I was raising a baby squirrel and I was telling them about him & Karen wanted to see him. So she walks outside with me to meet Chester. This is the only photo I ever took of her. So I wanted to share it with her friends and family.

“ I worked with Karen at the probate court from 2009-2010. We shared a lot of laughs. She loved her family so much. She was someone I could talk to when my thoughts were troubled. This news shocks me to the core. Rest Easy ma'am and know you will be missed by so many people.

“ Karen was a dedicated professional . It was a great blessing that she came to work in the Probate Court of Putnam County. She worked tirelessly to help all who came through the door. Karen was gifted and knowledgeable about all aspects of the court. She understood the law and she served the people with compassion and caring. She could research a property title online and often did to help widows and family members with estates . Karen worked ever role in the Probate Court from deputy clerk to Probate Judge. Through Her hard work and a unique legal background she excelled . When I retired in January 2020 Karen became the Probate Judge of Putnam County. And I left knowing the court and people of Putnam County were in good hands. To Amanda, Tess and Lexi, I am so sorry for your loss . I pray that God will comfort you and bring you peace in these very sad and difficult days. I know how much Karen loved her Mother, Mrs Evelyn and her Father and Sister . She is safe with them now.
