

Konrad Duane Underkofler

November 2, 1951 - January 22, 2024

Mr. Konrad Duane Underkofler was born in Jamaica, New York on November 2, 1951 to Dora and Claire Underkofler. He grew up in Long Island, New York, Montreal, Canada and Claremont, New Hampshire. Konrad was always an avid reader and loved music and science fiction. He graduated from the University of Connecticut with a degree in Political Science and a Master's Degree in public administration. He worked in the New England area as a city manager. He later moved his family to Georgia, where he was involved in the early years of the technology revolution. There was nothing about computers and computer programming issues that he could not do. After working in many aspects of the field, he worked for years as an executive in the area of Information technology at Hoshizaki America, in Peachtree City, Georgia.

After retirement he enjoyed music and collecting music related items. He was an audiophile and loved music and equipment. He was a kind and compassionate person and made it his mission to feed and befriend homeless cats and dogs. He extended this caring to possums, raccoons, and deer as well.

Left to cherish his memory are his wife, Patrice Smith Underkofler, his stepson Gerald Bennett (and wife Sarah) from his late wife Karen Underkofler, his stepson Stephen C Howard, Jr. (and wife Alleigh) and four grandchildren. In lieu of flowers please contribute to the H.E.L.P. Spay Neuter clinic in Newnan,

Georgia or a similar spay neuter program of your choice.

“ *I had the pleasure of working with Konrad for several years at Hoshizaki. He was the smartest person I have ever met. I consider him a true genius. No matter what the subject was, he had an impressive amount of knowledge about it. And if he wanted to google a subject, he had the uncanny knack of knowing exactly what to type in the search so that what he wanted to see was the first item in the list! I will always cherish the memories I have of working with Konrad. My prayers go out to all his family and friends.*

“Konrad was the perfect gentleman & never met a stranger. He escorted me down the aisle of the second oldest place of worship in Eatonton on June 14, 2014 when I married my husband Daryl. We both thought the world of him. I was blessed to be at his marriage to my dear friend Pat. Konrad will be sadly missed.

Whenever I must bid farewell to someone I've treasured, I take comfort in this: Because of the promise of eternal life, we'll be reunited again one day in our heavenly home.

My thoughts & prayers are with you, Pat, & all the family as you mourn the passing of Konrad.
