“ *Kirsten was always a joy to talk to. You couldn't help but end your conversation with Kirsten happy & a smile on your face. She loved her family and always spoke highly about Caroline's artistic talent & Avery with his running achievements. She was a very proud mama. She will be missed. May the Lord Bless and watch over this family.*

“ *That girl could make me laugh more than anyone. From the time she was my sons' (now 41 & 38) favorite babysitter when she took them for a ride on her scooter with the youngest one in its basket through her comments on Facebook and our "conversations" via Messenger. The Sauer's lived near us in IN years ago but we have stayed in touch ever since GA became their home. She was definitely a light that shined bright who fiercely loved "Jones", Avery and Caroline. Oh how she will be missed.* 😭❤️
