“ *Had several great memories with our buddy Bucko. Will always cherish the times playing cards with the gang on Thursday night. One time at a Falcons game Bucko told threw some sausage on the grill right before we went into the Georgia Dome. We asked him why he was doing that right before we were going into the game. He responded that he was “slow cooking them.” Six hours later he returned to the grill to find what looked like pieces of charcoal. I don’t think anyone ate that sausage. Love you Bucko!*
