“ I don't have enough words to describe the long friendship that Luann and I shared. There were times when we didn't see or speak to each other but when we did, things were always the same, laughing and joking around and ending up with "I love you". We will all miss this sweet friend but praise God for his mercy and grace. Love you Lu.

LuAnn and I grew up together, played together, had many spend the night parties together. We laughed and cried and hugged each other. I loved LuAnn with all my heart. I will miss you but not for long. One day we will all be together again in Glory! What a time that will be! LuAnn your Daddy still owes us that trip to Stone Mountain for cutting off all that corn! We really believed he was going to take us!lol
