“ Always told Martha she was my favorite aunt. She was a trail blazer to us girls. Always worked hard dressed nice and made time for you. my best memories were spending the nite on her and Jerrys houseboat on lake Lanier so much fun swimming and floating around exploring and of course fishing. I spoke with her often and shared pictures of my garden which she loved to see and hope now she has gotten to walk thru it. Another memory was when she lived in Florida and she took us to a black river to swim. Plenty of kids splashing around having fun but me a little concerned about those gators. i know she is happy with mom now as she missed her since she passed a few months ago. She will truly be missed!

“ My Aunt Martha meant So much to me. We talked often As a matter of fact I texted her on Mother's Day and told her that I would Ttyl and she replied back with a Smiley face and another emoji that was good. How I wished I could have heard my Sweet Aunt Marthas voice again instead of text. But she responded. I never made that phone call because she left. She's always in my heart and with me everyday at work. She's Good and exactly where I wanta be Oneday! We have alot to talk about! I love you Aunt Martha! There's Noone like you at all. Till we meet again

“ Aunt Martha was always a great lady who took interest in the things YOU were doing. I remember my mom and I went to her house to visit the week before the fantasy championship and instantly aunt Martha asked me what I was so invested in as I was on my phone non stop, from that point forward she'd always ask how fantasy was going and how my team was doing. She was just so cool to be around and a very down to earth relatable person. No bad mouthing ever happened when I was with aunt Martha she was always a cup half full kind of lady. Love and miss you.

“ As a young child I was always super excited when mom and dad said we are going to see Uncle Jerry and Aunt Martha not just to be around my cousins Kay and Chuck but to be around her even as a young girl I knew how special she was she was beauty brains confidence charm humor with an extreme love of life all rolled into one and for these reasons she was one of my role models. As life passes you start going through struggles the innocence of child hood is gone but she was always there for us all with a soft tone to her voice and kind words she was so strong. I hate we lost her so abruptly but she went out the way she would have wanted no worries and quickly. Aunt Martha know you will be missed know you are loved I celebrate your life now and forever ❤️ ❤️ 💖

“ I am so blessed to have been brought into Martha's family circle and treated like I was one of her own. Her door and her heart were always open. What a wonderful, thoughtful and giving person! I have the best memories of family meals, holidays and trips to the beach spent with her and will love and miss her always.

“ Heartfelt sympathies on the loss of Martha. Her adored grandson, Chris, married my daughter, Ann, in 2017, and I was so impressed how Martha welcomed Ann with enthusiasm and love! We shared a toast in the hotel the evening after their wedding. She reached out to me to share family tree info and we exchanged cards and messages. She will be missed. Aleta Elliott
