“ Aunt Mary was a very special person to me. I had the extreme enjoyment and pleasure for many years working and traveling with Don and Mary. Words can not express how much fun we had over the years. I know that Don and Gene and family were there waiting with open arms to greet her. She will forever hold a very special place in my heart.

*Forever in my heart,*

*I'm a classmate of Mary Carlton, as we called her. She was an amazing athlete, a special friend to so many and a beautiful lady. I'm donating \$50. to the Old School History Museum to have her name inscribed in the Memory Book with the Class of 1957. She was loved by so many. Doris Moody*
