“ Matt - I found a few older pics of Millie that i will always treasure - I thought you would like to add them to any that you will pass on to those precious babies, She was such a precious part of our family and it just wont sink in that she is gone,. I loved her from the second she was born and every time our paths crossed in life - it was a reminder to me that life is better shared with the ones you love. She always asked for me to visit more. I sure wish today that i had spent more time with her - I know she was always busy with the kids and so was I with mine - but every now and then we would meet at a ball field in a town near or far - and it was like we never missed a second in life.. she always made me feel important and seemed that way with everyone she met.. She sure loved her family and i pray memories of her smile and laughter are as comforting to you as it is to me.

“ *Dear Matt, Makenna, Walt, Wyatt, Mattie Lou, Kathy and Harry,*

I am so saddened to hear about the untimely loss of Millie. I will always remember working with her for almost ten years and watching the children grow up. She had an infectious smile and laugh and she loved her children beyond measure as well as her Mountain Dew! My deepest prayers for all of you at this difficult time. We are never ready to say good bye to a loved one but she is at peace and watching over all of you forevermore.

*Sincerely,
Linda Ralston*
