“ *Kamie and Johnny, and family
So sorry for your loss. You are in my thoughts and prayers as you
grieve your loss. God bless you and keep you close in your time of
sadness.*

“ *My heart goes out to the family, friends, those who loved this
beautiful, funny, loving wife, mother, grandmother, best friend. We
became fast friends many many years ago at APD and shared
some beautiful memories, but time slipped away and we lost touch.
I will forever regret that I let it happen. With much love, Eva Thomas
McMenamy.*

“ *John, Kamie, Gerald and family,*

Each of you are in my thoughts and prayers. Nina was such a good friend to my sister Nancy through the years. When Nancy had open heart surgery years ago, Nina sat all day with us at the hospital keeping us company, sharing stories and filling the time with laughter. She has been so good to our family and we have loved and appreciated her so much. I can only imagine the joyous reunion Nina and Nancy are now having. Nina will always hold a special place in my heart.

“ *We want to send our sadness to you John at this time as Miss Nina has passed on to be with the Lord. We have some wonderful memories of her from our time at the flea market and at the auctions. We have known you all since 2001 now. We pray that the Lord will extend his loving hand upon your life during this time of grief. We love you.

“ I am Pam Power Cantrell, Nina's baby sister, the only child left from the Power clan, and we have always been close and done some crazy things in our lifetime. I guess one of the craziest and happy times was when I lived in Rocky Mt. N.C. And she came to visit me for a weekend and we were both divorced and single and we went to go dancing at a local pub where they had good country music and they had open mic night and my sister could sing very good and she got up and sang "Honky Tonk Girl" by Loretta Lynn and she brought the house down and everyone wanted to buy us drinks and I didn't drink but she said she would take all the drinks anyway, but she was so funny because she kept talking all the way home about going to Nashville and try out at the Grand Ole Opry, but the next day she said " you must be crazy, I ain't going to Nashville and make a fool of myself" but we laughed and laughed all weekend about her "tryout to stardom" But we always had lots of fun together. I love you sis and miss you but know you are in heaven having a glorious family reunion with our brothers and sister and mom and dad . We will meet again one day and you will be waiting at those pearly gates with St. Peter to welcome me home again with the family.
