Sally, I just read about your mother's passing. I have many fond memories of time spent at your house during our childhoods and how sweet your mother was. Sending love and hugs to you and your family.

Pat was so kind to my mother, Nan Cardwell, who was In failing health. She visited every week and took her for rides to break the monotony of being house bound. Her friendship meant so much to Mother, and i am grateful for Pat's compassion.
