“ Rhonda, Courtney and Tim and I include your kids to Courtney, all of you are in my thoughts and prayers during this difficult time. I grew up with Rhonda and lived with her family Peggy and George more than my own family, Peggy treated me like I was her own child I went on vacation with them I done everything with them. Thanks to Peggy and George they gave me a child hood that I never got at home, I loved them both so very much and I loved Peggy's biscuits and gravy. I was blessed to have known her and to have been part of her life, Rhonda you will forever be my best friend and if there is anything I can do for any of you please let me know. God bless you all during this difficult time, please pray and put it in God's hands he's the only one that will help y'all during this time. I know if I wouldn't have turned it over to God after these 3 years I don't know where I would be, God Bless you all Peggy went home R.I.P I LOVE YOU
