I'm, I am so sorry for your loss. Cliff was one of the most loving people in his own way. He will always be Big Dog to me. The good Lord was merciful in ending his pain quickly. He will be truly missed by all. Love to you always. Keep strong. Nancy

Damn, Bugs! My old childhood friend, neighbor, school mate, fellow guard on the Southwest football team! The military and life took us off in different directions but, I never forgot you! I was trying to find you for about 20 years doing internet searches, making many phone calls, speaking with dozens of people! Never could get any solid leads. And, now I see it's too late! Wonderful memories! R.I.P. old friend. Hope you found happiness in life.
