“ Although we didn't spend a ton of time together in my brief 2 years at Oconee, virtual neighbors and friends through JD and Carolyn I will never forget the "fish fry" that I have talked about for YEARS... I enjoyed the company of Bob and Donna on a few occasions at the lake. My thoughts and Prayers are with Donna and the entire family for peace and comfort during these tough times, which will eventually pass but the wonderful memories will be there forever.
