

## Robert Charles Wood

September 24, 1952 - May 3, 2019

Mr. Robert "Bob" Charles Wood, age 66, passed away peacefully at home in Eatonton, GA after a brief fight with cancer. He was surrounded by his family, neighbors, friends, and his beloved bloodhound Ellie Mae. A celebration of life will be planned in New Hampshire and Georgia at a later date.

Originally from Hingham, MA, he joined the Air Force and after 4 years of service, he moved to New Hampshire, where he raised his family with his longtime love, Doris. He worked hard to build a business, Bob Wood Construction. He took great pride in his work, employees, customers, and family. He retired from construction in 2016 when he moved to Eatonton, GA, where he always found something to fix, property to clear, or treasures to create. He lived his life "Pedal to the Metal" with a get it done attitude. He rallied until the very end in true Bob Wood fashion. He was preceded in death by his parents Charles and Beverly Lawrence Wood as well as a brother Bruce Wood.

Bob is survived by his wife Doris Wood of Georgia, daughters Charlene Crowell and husband Andrew of New Hampshire, and Alison Morel and husband Aaron of Georgia, son John Robert Wood and wife Meredith of Georgia, brothers Barry Wood and wife Anne Marie of Massachusetts, Randall Wood and wife Diane of New Hampshire, and Timothy Wood and wife Bette of Massachusetts, sister-in-law Cathy Wood of Massachusetts,

grandchildren Amanda Ray, Courtney Crowell, William Crowell, Emily Crowell, Abigail Morel, Amelia Morel, Aaron "AJ" Morel, and Lucas Robert Wood.

His family is forever grateful for those that surrounded them, including the wonderful people from Compassionate Care Hospice. Because of their lasting impression, the family is asking in lieu of flowers, donations be made to Compassionate Care, Payable to Amedysis, 2340 Prince Ave. Athens, GA 30606

“ Dear Cousin Bobby, I am just so sorry to see this and in shock. We were the same age and I always remember hanging out with you as kids, especially a summer when we spent time on the Cape. I have no words except to say I wish we had more time together as adults. Walk with God. Love Cousin Judy

“ Bob and Doris were my neighbors for over 20 years. Such a great family. Bob was always so concerned and kind to me - thinking of ways to make it easier for me when doing certain things. I thank him daily for the front porch he built over my concrete front steps so I could navigate getting items in the house better. Special man for sure - always in my heart. He will be missed by many.

I met bob about 12 years ago when I was looking for someone to build houses for me. Bob and his crew of great guys kept me and my buisness going. We became good friends over those years and I will miss him dearly. Bob would be proud to know that his old crew is still keeping me going and have become expert carpenters with great work ethics learned in part from Bob. We all miss him. He was a very special person and part of our lives for many years.- Bob, I know you are looking down. Thanks for all your help and friendship.

*Dear Doris and family, It was with great sadness that we read of Bob's passing in the Laconia Daily Sun. You made us a part of your extended "family" while you lived here in NH and we will never forget that. The work that Bob and his crew did on our home is a part of his legacy and a tribute to him for sure.*

*So sorry and shocked ! A REAL GOOD MAN, and I say that as someone whose house was built by Bob just a couple years before his passing. Having had several homes built I can only say working with him was pure pleasure. He will be missed. My condolences to his family and friends. ( I am glad I phoned him to "catch up" just a year ago - no hint of his troubles.....)*
