“ Growing up my Aunt Rose was one of the coolest people. I could share with her things I would never share with others. She never judge me only provided support and love. There were so many times we laughed until we couldn't catch our breath!
Aunt Rose always shared her love of God, and I have such wonderful memories of her singing or humming a gospel song. I will truly miss her, yet I know the angels are gonna have blast with her! Heaven will be even more special with Aunt Rose's presence.

“ I will always remember her smile and 'happy eyes'. Although I was just in my teens when I first met Rose, she was always kind, polite, considerate and caring. The world has lost a beautiful person. But her memories are those that I can reflect back on to be a better person.
