Roy & I have been friends since the 1950's when his family moved to Greenbrier County from Logan. His sister & niece & I were able to visit him the last two summers. We took him homemade fudge last year. He was happy to see us & we all enjoyed the visits. Gone but not forgotten.

“ *I have always loved my Uncle Roy. He took time for me growing up and as an adult. He loved his country, his retiring from the Army was proof of that. He loved his family. He had a great sense of humor. I will always remember him. Until we meet again. Deb* ❤️😔
