“ You watched over me and Landon when we were kids.. You were our grandmother that we never had. You always protected us like we were your own. You always had that smile that could light up any room. I remember sitting right beside you in church just always wanting to be just like you. You were and always will be my hero in my life. Rest easy. You will forever be missed. Me and Landon love you always and forever and we will never forget you!!! Love always,Zina & Landon Rice.
