“ Ben, I've just seen this and I'm so sorry! I enjoyed when he would come to the store because he was working on a project or something for the restaurant! He always would say how proud he was of you and how he just didn't know how you kept up with everything. He was always kind to everyone...he will be missed by many for sure!! Praying for all of y'all! (((Hugs)))

“ Mr. Meade was the hardest working man I ever met. He helped raise his grandkids in the most energetic and loving way. I ride a bike 10 miles every day, but never could I keep up with that hard working man! He was such a good neighbor, and such a good man!
