My special memories of Thomas was that when he was a rambunctious little boy, I would keep him for his Mom and Dad sometime. I loved him like my own. He was the cutest kid!! My love and prayers for all the family. 🤔🙏

“ I met Thomas within our kayak group and he was one of the most welcoming, sweetest, motivating, upbeat yet calm people I have ever met. He cared about people and was always looking to have an enjoyable day. During my last paddle, we sat and chatted and he shared some grilling tips with me - dang he could cook. He was the kind of friend that would hug you hard, tell you he loved you and to be careful - I feel like I truly lost a brother.
