“ I met Toni at Mercer University where we both went to school. She was funny, kind, and a real " go-getter". We lost touch over the last few years and I am sorry for that. God bless her family as they try to find a new normal. She was a wonderful person!

“ Toni will always be remembered as a very hard worker, caring person and someone who did not leave details undone. She worked on our Christmas dinner so many years and we have very fond memories of her. Please accept our sympathy and know that you are in our thoughts and prayers.

“ I met sweet Toni years ago when I served as a professional advisor for Bosom Buddies. A nicer person you could not have found. Hardworking. Funny. Kind, Always supportive. Always helping. I am deeply saddened for her family but thankful that they got to enjoy their relationships with her. I live a distance away but she and I met in Madison for lunch a couple of times and I am thankful I have those memories. She spoke of her husband and those sons with deep love.
