The Rose Beyond the Wall

*A rose once grew where all could see,
sheltered beside a garden wall,
As the days passed swiftly by,
It spread its branches straight and tall.....*

*One day a beam of light shown through
a crevice that had opened wide
The rose bent gently toward its warmth
then passed beyond to the other side*

*Now, you who deeply feel its loss
be comforted, the rose blooms there
Its beauty even greater now, nurtured
by Gods own loving care*

*Wanda you were one of a kind, we enjoyed many laughs
sending love and prayers for your family <3*
