“ Dear Edith, Cindy, Frank and family,

I just read Billy's obituary in the Atlanta Journal-Constitution. I am without words to express my shock and sadness. Billy was a treasured member of our family for all of my life and I will always remember him most fondly-even though he did go to Georgia Tech! On behalf of Leila and me, Ben and Kenda, Lewis and Ellen and all of our family, please except our deepest condolences. Rest in the many years of memories that you have of your husband, daddy, and granddaddy. He was a fine man and we will miss him until we all can meet again.

“ *Dear Bennett Family,*

I am so very sorry for your loss of Mr. William A. Bennett Jr. I did not know him, having only met him one time, at the closing of the home on the lake, where he and his wife lived for many years. That was December 20, 2019.

But, I feel like I know him when I see all the little things he did around this beautiful home, especially down in his work room and basement. I want you all to know that I will honor Mr. Bennett and Mrs. Bennett by loving and cherishing my new home as they did, and I will be a good caretaker of this earthly blessing that God has bestowed to me. There will be a new tree planted in the back yard in Mr. Bennett's honor.

My prayers are with you during this sad time.

Sincerely,

Debra Drake

“ I am so sorry for your loss, dear Bennett family and extended family. I did not really know Mr. Bennett well, only having met him one time at the closing of the lake house that I bought from him and his wife. But, I feel like I am knowing him when I walk around this home and see little touches that he did to the house, especially in his work room and basement. I want to let the family know that I will honor Mr. Bennett by loving and cherishing this beautiful home and being a good caretaker of God's blessing to me of this home. May the peace of the Lord be with you in your time of sadness. Sincerely, Debra Drake
